

IPA invites you to IBC EMEA 2025

An Exclusive Event for IBC Member Companies Operating in the EMEA Region!

EVENT SUMMARY

You and your colleagues are invited to attend an exclusive Industry Benchmarking Consortium (IBC) meeting specifically for companies operating in the Europe, Middle East, and Africa (EMEA) region! This year's meeting will be held in London on 19 to 20 May, 2025!

Attending companies will compare key performance and practice metrics—for both large and site-based projects—to understand how well their capital efficiency improvement efforts compare to their peers.

For planning purposes, Day 1 will start with check-in at 08:00 and will conclude with an evening reception at 17:00. Day 2 will start at 07:45 and conclude at 14:00.

RESEARCH AND NETWORKING

In addition to performance metrics, attendees will also receive exclusive new research addressing key industry topics. The research studies will be selected based on the response from the annual US IBC conference, held in March 2025. The agenda also includes time for networking with other project professionals and discussions with IPA regarding your company's performance.

HOW TO ATTEND

Attendance is limited to current IBC member companies. Click the REGISTER button and enter the event code (provided to your company's IBC point of contact) when prompted. We ask that all attendees register no later than Wednesday, 14 May. Space is limited. Registrations will be accepted on a first come first served basis.

WHEN

19 to 20 May 2025

WHERE

London Hilton Metropole,
225 Edgware Road
London, UK

COST

US\$1,650 / €1,500
